EXCITING NEWS!

We have expanded again!! We just finished our expansion of over 1100 new square feet to be able to provide even more services for you and your family. We are so thrilled for you to see how nice it all came out! We always appreciate word of mouth referrals to your friends, mom groups, and pediatricians. Also, if you feel so inclined, please leave us a review on Google!!

We have had quite a journey! Some of you have been with us from the beginning!! As always, we are so grateful for the trust and love of this community. Here is to the next parts of this journey!

We continue to add new and exciting camps and groups this year! These do fill up quickly, so please let us know as soon as possible if you would like more information or would like to sign up!

Our Spring 2023 Thinker & Doers group was created for rising 1st-4th graders. Our co-educational group incorporates sensory motor elements as well as concepts of the *Social Thinking curriculum*, *Zones of Regulation*, and the *SuperFlex programs*. This session will be led by speech language pathologist, Anna Vanta and occupational therapist, Amy Engel.

Running club is BACK!!

Signups are already open and filling up quickly.

- Monday's: March 20--April 24. 4:30-5:15
- 6 weeks for \$390

We will continue to meet at the indoor track at Meridian High School. Our running club is a fun program to get kids to run and play running games. We work on technique, (as much as we can with our kids!) strength, agility, endurance, and FUN!

This is a really fun program. Hope to see you out there!
